MOBITEC COLLECTION

Dear customer,

Diversity is what reflects **Mobitec's** biggest asset. Diversity in product types, versions and huge pallet of possibilities. That is why we developed this present brochure as a perfect additional tool to our pricelist for our collection.

To be informative, that is the main objective of this catalogue and that is why we have introduced pictograms in it. Our goal is to enable you to "find your way back" more clearly through our complete range of items, family per family, but also item per item.

This document should be YOUR sales support...

Cher client,

Comme vous le savez, ce qui fait la force de **Mobitec**, c'est sa diversité. Diversité en type de produits, en versions proposées, en finitions et surtout en possibilités offertes. C'est pourquoi, nous avons conçu, en parfait complément à notre tarif, le présent recueil de produits pour notre collection.

Ce support se veut informatif, c'est pourquoi nous y avons introduit des pictogrammes. L'idée était de vous « simplifier » le plus possible la vue sur l'ensemble de notre collection et des possibilités proposées famille par famille mais aussi produit par produit.

Ce support de vente doit avant tout être le vôtre...

Beste klant,

Zoals U zeker al gemerkt heeft, is het de diversiteit, die **Mobitec Systems** uitmaakt. Met deze diversiteit bedoelen wij onze verschillende producttypes, die steeds door het bijvoegen van kleine details in verschillende uitvoeringen bestaan. Net daarom hebben we beslist om deze kleine samenvatting van onze complete collectie uit te brengen naast onze bestande en bekende prijslijst.

Dit document dient informatief te zijn. Dit proberen wij met hulp van pictogrammen te bereiken. Het idee, dat we hadden, was het document zo simpel mogelijk, maar toch compleet, te krijgen. Mocht deze catalogus U van hulp zijn bij het uitleggen en verkopen van onze producten, dan hebben wij ons doel bereikt.

Bij voorbaat bedankt hiervoor.

Werter Kunde,

Wie Sie wissen ist es die Vielfalt, welche die Stärke von **Mobitec Systems** darstellt. Damit ist die Vielfalt unserer Produkttypen gemeint, die wiederum in unterschiedlichen Variationen und Ausführungen verfügbar sind. Aus eben diesem Grund haben wir diesen Katalog entwickelt. Es stellt die perfekte Ergänzung zu unserer Preisliste dar.

Diese Produktübersicht dient weiter dazu mit Hilfe von Piktogrammen die breite Produktpalette und ihre diversen Möglichkeiten zu veranschaulichen. Ziel war es die Gesamtheit unserer Kollektion so übersichtlich wie möglich darzustellen. Dies haben wir u.a. realisieren können, indem wir verschiedene Stuhlgruppen nach „Familie“ geordnet haben, gleichzeitig aber auch Produkt für Produkt erläutern.

Wir danken Ihnen für Ihre Zeit und hoffen, dass dieses Verkaufprodukt Ihnen eine Hilfe sein wird.
