Herzlich willkommen bei der Horst AG

Als mein Grossvater im Jahr 1930 im Herzen der Schweiz den Grundstein für die heutige Horst AG legte, hat niemand mit der Entwicklung während der folgenden Jahrzehnte rechnen können. Heute sind in Steinen zwei Kollektionen – die Horst Collection und Artanova Switzerland – beheimatet, die die gesamte Bandbreite exklusiver Polstermöbel abdecken. Vom Klassiker bis zum Designobjekt, immer in hervorragender Qualität. Unsere Philosophie: Wir entwickeln Vielfalt ohne Kompromisse, wir designen hochwertige Möbel für jeden Geschmack.

Es ist uns eine ganz besondere Freude, Ihnen mit dieser Broschüre unsere aktuellen Kollektionen vorstellen zu dürfen. Sie ist das Resultat einer äusserst dynamischen Entwicklung während der letzten Jahre. Seit die dritte Familiengeneration 2009 die Geschäftsführung übernommen hat, weht bei der Horst AG ein frischer Wind. Unsere unternehmerischen Wurzeln und den hohen Anspruch an unsere Möbel haben wir dabei nie aus den Augen verloren.

Das Sortiment reicht heute von klassisch bis modern. Die Anzahl der Modelle haben wir kontinuierlich erweitert. Die grosse Auswahl an aktuellen Stoff- und Mikrofaserbezügen in diversen Farben und Qualitäten sowie Leder in über 100 Farben und verschiedenen Qualitäten lässt keine Wünsche offen. Kurz gesagt: Sie können aus dem Vollen schöpfen. Und das in der Schweiz und im europäischen Ausland. Nehmen Sie sich ein wenig Zeit. Blättern Sie, stöbern Sie, träumen Sie von Ihrem neuen Lieblingsplatz. Dabei wünsche ich Ihnen viel Vergnügen.

Stéphanie Horst, CEO Horst AG

Welcome to the Horst AG

When my grandfather laid the foundation for today's Horst AG in the heart of Switzerland in 1930, no one could have expected the development over the following decades. Today, two collections – the Horst Collection and Artanova Switzerland – located in Steinen, cover the entire spectrum of exclusive upholstered furniture. From the classic to the design object, and always in outstanding quality. Our philosophy: We develop diversity without compromise, we design high-quality furniture for every taste.

It is a great pleasure for us to introduce you to our current collections with this brochure. It is the result of an extremely dynamic development during recent years. Since the third generation of the family took over the management in 2009, a fresh wind blows at Horst AG. We have never lost sight of our entrepreneurial roots and the high demand of our furniture.

Today the product assortment ranges from classic to modern. We have continuously expanded the number of models. The large selection of current fabric and microfiber covers in various colors and qualities, as well as leather in over 100 colors and various qualities, leaves nothing to be desired. In short, you can make the most of everything, in Switzerland and in other European countries. Take a little time. Scroll, browse, and dream about your new favorite place. I hope you enjoy.

Stéphanie Horst, CEO Horst AG

Mit manueller Wipp-Funktion noch vielseitiger: schwungvoller Einsatz im Arbeitszimmer oder pure Entspannung im Wohnbereich, dieser Charakterkopf macht immer und überall eine gute Figur.

Even more versatile with manual rocking function: lively use in the study or pure relaxation in the living area, this character head cuts a fine figure anywhere and at any time.
